The 5-Question Underwriting Funding Request

CREDIT FACILITIES	TOLL REVENUE FEE	SIGNED LOIS	PROJECTED DSCR
$500,000	**0.60%**	**$830,000**	**3.73x**
SBA Express + Factoring	Swept on Freight Volume	2 Hauler Alliances	Year 1 Debt Service

Question 1: How Much Capital Is Requested?

$500,000 Debt Facility + $175,000 USDOT Grant

Question 2: Why Is the Capital Needed?

To fulfill our signed $830,000 commercial LOI backlog by securing essential operating assets, licensing software telematics, and providing working capital reserves.

Question 3: What Exactly Will the Capital Buy?

ALLOCATION CATEGORY	AMOUNT ($)	OPERATIONAL JUSTIFICATION
Freight Invoice Advance Float	$250,000	Revolving capital reserve funding instant same-day carrier pay
Carrier Sourcing & Sales Development	$110,000	Acquisition reps targeting 300 regional independent motor carriers
Dispatch Automation & Telematics Integration	$65,000	ELD telematics data ingestion and automated route optimizer
SBA Loan Closing, Bonding & Reserve	$45,000	Closing costs, statutory SBA guarantee fees, and debt reserve
DOT Compliance & Legal Filings	$30,000	FMCSA property broker bond renewal, state authority registrations

Question 4: What Does the Capital Produce?

Generates $540,000 in Year 1 revenue and $216,000 in EBITDA, covering all annual debt service at a rock-solid 3.73x DSCR.

Question 5: What Happens Without This Funding?

Without funding, operational scaling is constrained to self-funded cash flow, forfeiting market timing and delaying execution on signed commercial LOI partner commitments.
